

Gert 'Jim' Muller

aka Speed

Treasurer Candidate

Hi all, I am asking for your vote for a second term as LSR Treasurer. I do believe in term limits and maybe a second term is still inside the limit! Regardless, I will always serve where help is needed. During the last term we established the idea of having a "balanced budget" and would strive to stay within it in the next term. I am an N-scaler modeling the national railroad in Namibia, one of the places that should be on your bucket list! Working hard to get it ready for the operating sessions next year during the DFW Interchange. As promised, we always had smiles (and shorter) meetings!
